NO-SHOW POLICY EFFECTIVE 5/11/2022

Dermatology and Aesthetics of Oklahoma is instituting a “no-show policy” effective 5/11/2022. Should you no-show for your dermatology appointment without 24-hour cancelation, after the 3rd no-show appointment we will no longer continue to schedule you for future appointments.

We apologize for the inconvenience this may cause. As our waitlist increases, we need to accommodate patients that need to be seen.

Thank you for your understanding.
