NO-SHOW & CANCELLATION POLICY

We make every effort to provide you with an appointment that accommodates your schedule. Once an appointment is made, this time is reserved especially for you. If an appointment is cancelled without advance notice, it prevents another patient from having the opportunity to schedule/book that appointment time.

As a courtesy, we do offer email and text message reminders for your appointment.

Should you no-show for your dermatology appointment without 24 business hour advance notice, you will be charged \$30 for the broken appointment. Surgical procedures must be cancelled with 48 business hour advance notice to avoid a \$90 broken appointment fee. Payment for these broken appointments must be paid as soon as possible, before we see you on your next visit.

As our waitlist increases, we need to accommodate patients as soon as possible. Should you continue to no-show for scheduled appointments, after your 3rd no-show appointment we will no longer continue to schedule you for future appointments.

We apologize for the inconvenience this may cause.

Thank you for your understanding.
